INDEPENDENT AUDITORS' REPORT

TO THE BOARD OF TRUSTEES AND UNIT OWNERS OF LEISURE VILLAGE WEST ASSOCIATION, INC.

We have audited the accompanying balance sheet of Leisure Village West Association, Inc. (the "Association") as of September 30, 2009 and the related statements of revenues and expenses and changes in fund balances and cash flows for the year then ended. These financial statements are the responsibility of the Association's board of trustees. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the board, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

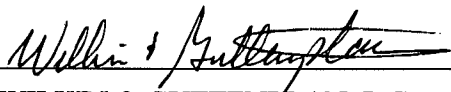

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Association as of September 30, 2009, and the results of its operations and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The supplementary information on Future Major Repairs and Replacements on page 17 is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of the board regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and express no opinion on it.

Page 1

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information shown on pages 18 through 23 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been summarized from Association records and, except for that portion marked "unaudited", on which we express no opinion, has been subjected to the audit procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

LEISURE VILLAGE WEST ASSOCIATION, INC.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2009

NOTE 1 - NATURE OF ORGANIZATION:

Leisure Village West Association, Inc. (the "Association"), located in Manchester, New Jersey is an incorporated association pursuant to the Condominium Act of the State of New Jersey. The purposes of the Association are to provide condominium management services for the owners of the 2,692 condominium units in the Association and to provide for the preservation and maintenance of the common elements in the condominiums and the remainder of the common areas and facilities in the Association. Recreational facilities include three recreation buildings, two pools, two golf courses and other various recreational facilities.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the board to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fund Accounting - The Association's legal documents (i.e., Public Offering Statement, Master Deed and By-laws) provide certain guidelines to govern the Association's financial activities. In order to ensure observance of limitations and restrictions placed on the use of resources available to the Association by such documents, the accounts of the Association are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purpose. Accordingly, all financial transactions have been recorded and reported by fund group.

The assets, liabilities and fund balances of the Association are reported in the following fund groups:

Operating Fund - This fund represents the portion of expendable funds that is available for the general operations of the Association.

Properties Fund - This fund represents all activities associated with the purchase, depreciation and sale of the Association's tangible personal property and the building located at 3 Buckingham Drive which was received from the Sponsor.

Deferred Maintenance Fund - The purpose of this fund is to accumulate sufficient amounts which will allow the Association to have the necessary resources to perform maintenance services including, but not limited to painting, which occur less frequently than annually.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2009

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Replacement Fund - The purpose of the replacement fund is to accumulate funds for future major repairs and replacements of the Association's common property as determined by the board.

Cash - Cash is held in bank deposit accounts which, at times, may exceed federally insured limits.

Investments - The Association has classified securities as held to maturity and available for sale. Securities classified as held to maturity are stated at cost and adjusted for amortization of premiums and accretion of discounts. The Association has the positive intent and ability to hold these securities to maturity. Securities classified as available for sale may be sold in response to changes in interest rates, liquidity needs and for other purposes. Available for sale securities are carried at fair value and include all debt and equity securities not classified as held to maturity. Any resulting unrealized gains and losses are reflected as comprehensive income. Realized gains and losses for securities classified as either available for sale or held to maturity are reported in the statement of revenues and expenses based on the adjusted cost of the specific security sold.

Property and Equipment - Property and equipment are stated at cost. Depreciation is computed on a straight-line or accelerated basis over the estimated useful life of the assets: 3-31.5 years. Tangible personal property not an integral part of existing facilities is capitalized, all other costs of repair and replacement are expensed as incurred or charged to the operating, deferred maintenance, properties or replacement fund, if provided for therein.

Recognition of Assets - The Association's property and other common elements, other than that described above, are owned by the unit owners in condominium form pursuant to the Master Deed wherein each of the individual unit owners hold legal title to an undivided interest in property constituting the common elements. The use and disposition of these properties are restricted or governed by the Association's legal documents. Accordingly, no amounts related to these common elements are included on the accompanying balance sheet of the Association. The common elements generally consist of sidewalks, roadways, recreational facilities and open areas, and portions of the buildings not comprising the individual units

Maintenance Assessments and Assessments Receivable - The Association's members are subject to monthly assessments based upon the annual budget and as determined by the board. The Association retains excess operating funds at the end of the operating year, if any, for use in future operating periods, or as otherwise specified by the Association's governing documents. A portion of the monthly assessments to owners are allocated to the replacement fund, deferred maintenance fund and properties fund.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2009

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

On a periodic basis, the board and management evaluate the assessments receivable and estimate an allowance for doubtful accounts, based on history of past write-offs and collections and the current legal status of past due accounts. No allowance was deemed necessary as of September 30, 2009.

Investment Income Earned - The board's policy is to retain the various funds investment income earned on the investments.

Subsequent Events - The board has evaluated subsequent activity through the date of the auditors' report, which is the date the financial statements were available to be issued.

Reclassifications - Certain amounts in the September 30, 2008 financial statements have been reclassified to conform to the September 30, 2009 financial statement presentation.

NOTE 5 - INCOME TAXES:

Under the Internal Revenue Code, associations may be taxed as a condominium management association, which is based on an annual election. The Association may select either method in any year and will generally select the method that results in the lowest tax due. A method selected in one year affects only that year and the Association is free to select either method in future years.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2009

NOTE 5 - INCOME TAXES (CONTINUED):

For the year ended September 30, 2009, the Association expects to be taxed as a regular corporation and therefore not taxed as a condominium management association. Income taxes of \$48,198 have been provided based on the excess of non-membership income over non-membership expenses. The prior three years federal tax returns as filed remain open for examination by the Internal Revenue Service. Income tax expense has been allocated as follows:

Replacement fund	\$27,943
Operating fund	17,582
Properties fund	2,672
Deferred maintenance fund	<u>1</u>
Total	<u>\$48,198</u>

The Association is incorporated pursuant to Title 15A of the New Jersey Statutes and, therefore, is not liable for New Jersey corporation business income tax.

NOTE 6 - REPLACEMENT FUND:

The Association's governing documents require that funds be accumulated for future major repairs and replacements. Accumulated funds are held in separate accounts and are generally not available for expenditures for normal operations.

The board and management prepares and annually revises a schedule of estimated remaining useful lives and the replacement costs of the common property components. The estimates were obtained from various sources and were coordinated by the Association's staff. The table included in the unaudited supplementary information on future major repairs and replacements is based on the estimates.

The board is funding for major repairs and replacements over the remaining useful lives of the components based on the schedule's estimates of current replacement costs, considering amounts previously accumulated in the replacement fund. Investment income of \$123,579 net of bank fees and federal income taxes have been allocated to all the replacement fund components based upon investments allocated to each component.

LEISURE VILLAGE WEST ASSOCIATION, INC.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2009

NOTE 6 - REPLACEMENT FUND (CONTINUED):

Funds are being accumulated in the replacement fund based upon the estimates of future needs for repairs and replacement of common property components. Actual expenditures may vary from the estimated amounts, and the variations may be material. Additionally, replacement fund cash and investment balances may, at times, be less than or more than the fund balance, resulting in an interfund balance. Therefore, amounts accumulated in the replacement fund may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the Association has the right to increase regular assessments, pass special assessments or delay major repairs and replacements until funds are available, if possible.

The activity in the replacement fund for the year ended September 30, 2009 has been summarized as follows:

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2009

NOTE 12 - TOWNSHIP REIMBURSEMENT:

The Township has reimbursed the Association \$67,537 for a portion of its street lighting, snow clearing and leaf pick-up expenditures. This amount consists of \$16,872 for snow clearing costs incurred for the period July 2008 through June 2009. The snow clearing reimbursement is based on 120% of the Township's actual cost per mile using a five year average. The balance of the reimbursement consists of \$43,856 for street lighting costs incurred during the 2008 calendar year and \$6,809 for fall of 2008 leaf pick-up. The street lighting and leaf pick-up reimbursement are based on the Association's actual costs. These amounts have been recorded as revenue on the accompanying financial statements. The remainder of township reimbursement relating to the year ended September 30, 2009 will be recorded as revenue when it is received.
