

Leisure Village® West Association

AT MANCHESTER, NEW JERSEY

2010 BUDGET

Dear Fellow Unit Owners:

We cordially invite you to attend the general meeting of unit owners that will be held in Willow Hall at 2:00pm on Wednesday, July 22, 2009. At the meeting, we will present the budget for next year and have a period of informal discussion in which you will have the opportunity to comment and ask questions about the budget. A live broadcast will be shown on Channel 12. The meeting will also be taped and played at a later time. Please watch the creeper for times and dates.

The proposed total fiscal year end budget reflects a \$6.00 increase per unit per month. This increase is necessary to maintain the level of services and protect the common elements of our community and is being applied to the budget as follows:

Reserve Fund Budget Increase	\$ 2.62
Operating Fund Budget Increase	<u>3.38</u>
Total Increase Per Unit Per Month	<u>\$ 6.00</u>

Notable changes to the budget this year:

- ◆ Roof funding was increased by \$60,000 to keep the fund solvent for each of the next 10 years, as mandated by the Reserve Funds Policy of LVWA.
- ◆ Administrative fee income was decreased by \$22,000 due to fewer homes sales anticipated during the next fiscal year.
- ◆ Fuel – machinery & equipment was decreased by \$12,400 due to a decrease in market prices.
- ◆ Total insurance expense was decreased by \$31,000 due to stabilization of the insurance market during the next fiscal year.

If you have not already signed up for automatic payment of your maintenance fees, your new monthly payment book will be mailed to you. If you prefer to mail in your payment, please mail it to the Association office at 959 Buckingham Drive, Manchester, NJ 08759. The first payment for the new fiscal year is due October 1, 2009. If any resident would like to pay his/her maintenance in full for the fiscal year, he/she will receive a 2% refund.

LVWA also offers an automatic payment plan for the payment of your monthly maintenance fees. **If you have not signed up already, attached you will find an "Authorization Agreement for Preauthorized Payments."** Simply fill out the form, attach a voided check and deliver both to the Association office, either by mail or in person, and we will withdraw your maintenance fees directly from your bank account at any bank on a monthly basis.

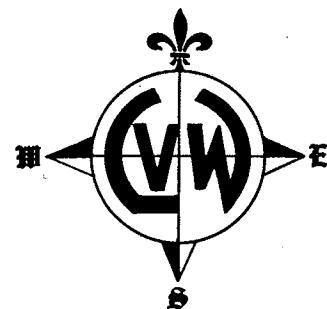

Sincerely,

Gertrude Kern, President
Board of Trustees

Salvatore Tozzi, Treasurer
Board of Trustees

the first time, the author has been able to identify the species of all the individuals examined. The results are summarized in Table I.

The results of the present study indicate that the number of species of *Leucaspis* occurring in the United States is considerably greater than previously believed. The genus is represented by 10 species in the United States, and the number of species occurring in the Americas is now known to be 15. The new species described in this paper are the first to be reported from the Americas.

The author wishes to thank Dr. J. C. H. Smith, Director of the Bureau of Entomology and Plant Quarantine, U. S. Department of Agriculture, for permission to publish the results of this work.

This research was supported by grants from the National Research Council of Canada and the Canadian Department of National Health and Welfare.

Notes on Fund Groups, Tables and Exhibits

Fund Groups

To understand our budget reports and accounting statements, you have to think in terms of fund groups. In accordance with generally accepted accounting practices, we classify all of our financial transactions into fund groups, and use fund groups in our financial reports. This enables us to control the expenditure of funds in conformance with legal requirements and the requirements of our bylaws. All of our financial transactions are classified into one of the following four fund groups.

1. **Operating Fund.** This fund group represents the portion of expendable funds available for the general operation of the association.
2. **Property Fund.** This fund group represents all the activities associated with the purchase, depreciation, replacement and sale of the Association's tangible assets.
3. **Deferred Maintenance Fund.** The purpose of this fund group is to accumulate sufficient amounts so as to allow the Association to have the necessary resources to perform maintenance services that occur less frequently than annually (for example, painting dwelling unit siding).
4. **Capital Replacement Fund.** The purpose of this fund group is to accumulate funds over the lives of capital assets that are part of the common elements so that when their replacement is required, sufficient amounts are available to pay for their replacement (for example, roads and roofing on dwellings).

Table 1. Maintenance Fee Income and Use – by Fund Group

In Table 1 we show how much we expect to collect from monthly maintenance fees for the entire year, and the portion earmarked for each fund group.

Table 2. Condensed Operating Budget

We use most of the income from monthly fees for the general operation of the Association. In Table 2 we show a condensed version of the operation budget. Note that the total operating revenues consist of (1) the portion of total maintenance fees earmarked for the operating fund group, (2) other operating income such as income from transfer fees, reimbursement for snow removal and street lighting from Manchester Township and rental income, and (3) deferred revenue from prior years. Deferred income from prior years is the operating fund group surplus from the prior year; that is, the excess of total operating revenues minus total operating expenses.

Exhibit I – Monthly Maintenance Fees by Model Type

Here we show the monthly maintenance fees by model type and number of occupants.

Exhibit II – Operating Revenues and Expense Summary

Here we expand the summarized operating revenues and expenses shown in the Condensed Operating Budget, Table 2. We show the general ledger accounts included within the categories summarized in the Condensed Operating Budget (GL# and Description). For each account we show the amount budgeted in the current fiscal year (Current Budget), our present view of the actual amounts we project for the end of the current year (Annualized) and the amount in the budget for the upcoming year (Proposed Budget).
