AT MANCHESTER, NEW JERSEY

2016 BUDGET

Dear Fellow Unit Owners:

We cordially invite you to attend the general meeting of unit owners that will be held in Willow Hall at 2:00pm on Wednesday, July 15, 2015. At the meeting, we will present the budget for next year and have a period of informal discussion in which you will have the opportunity to comment and ask questions about the budget. A live broadcast will be shown on Channel 15. The meeting will also be taped and played at a later time. Please watch the creeper for dates and times.

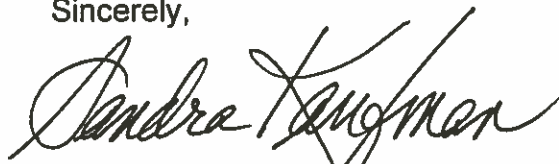

The proposed budget reflects a \$4.00 increase per unit per month. This increase is necessary to maintain the level of services and protect the common elements of our community and is being applied to the budget as follows:

Reserve Fund Budget Increase	\$ 2.27
Operating Fund Budget Increase	<u>1.73</u>
Increase Per Unit Per Month	<u>\$ 4.00</u>

The first payment for the new fiscal year is due October 1, 2015. Maintenance payments paid in full for the fiscal year and by the October 2015 due date will be eligible for a 2% refund. (The refund will apply to payments made by cash or check only. If paid by check, the refund will be issued once your check clears LVWA's bank).

LVWA also offers an automatic payment plan for the payment of your monthly maintenance fees. **If you have not yet enrolled, simply fill out the attached "Authorization Agreement for Preauthorized Payments" on page 9 with the required information and deliver to the Association office. We will withdraw your maintenance fees directly from your bank account at any bank on a monthly basis. If you have not signed up for automatic payments, your new monthly payment book will be mailed to you.**

Sincerely,

Sandra Kaufman, President
Board of Trustees

Russell Steenweg, Treasurer

Notes on Fund Groups, Tables and Exhibits

Fund Groups

To understand our budget reports and accounting statements, think in terms of fund groups. In accordance with generally accepted accounting practices, we classify all of our financial transactions into fund groups, and use fund groups in our financial reports. This enables us to control the expenditure of funds in conformance with legal requirements and the requirements of our bylaws. All of our financial transactions are classified into one of the following fund groups.

1. **Operating Fund.** This fund group represents the portion of expendable funds available for the general operation of the Association.
2. **Emergency Reserve Fund.** The purpose of this fund group is to accumulate funds for the payment of expenses incurred in response to emergency circumstances, i.e. excessive snow removal expenses or any other emergent circumstances.
3. **Property Fund.** This fund group represents all the activities associated with the purchase, depreciation, replacement and sale of the Association's tangible assets.
4. **Deferred Maintenance Fund.** The purpose of this fund group is to accumulate sufficient amounts so as to allow the Association to have the necessary resources to perform maintenance services that occur less frequently than annually (for example, painting of dwelling unit siding).
5. **Capital Replacement Fund.** The purpose of this fund group is to accumulate funds over the lives of capital assets that are part of the common elements so that when their replacement is required, sufficient amounts are available to pay for their replacement (for example, roads and roofing on dwellings).

Table 1. Maintenance Fee Income and Use – by Fund Group

In Table 1, we show how much we expect to collect from monthly maintenance fees for the entire year, and the portion earmarked for each fund group.

Table 2. Condensed Budget

In Table 2, we show how much we expect to collect from both monthly maintenance fees (operating and reserves) along with other sources of income. Here we show a condensed version of the budget. While we use most of the income from monthly maintenance fees for the general operation of the Association, the total revenues consist of (1) the portion of total maintenance fees earmarked for the operating fund, (2) the portion of total maintenance fees earmarked for the reserves, (3) other operating income such as income from transfer fees, rental income, and reimbursement for snow removal and street lighting from Manchester Township, and (4) deferred revenue from prior years. Deferred revenue is the operating fund surplus from the prior year; that is, the excess of total operating revenues minus total operating expenses.

Exhibit I – Monthly Maintenance Fees by Model Type

Here we show the monthly maintenance fees by model type and number of occupants.

Exhibit II – Operating – Income Summary and Expense Summary

Here we expand the summarized operating revenues and expenses shown in the Condensed Budget, Table 2. We show the general ledger accounts included within the categories summarized in the Condensed Budget (GL# and Description). For each account we show the amount budgeted in the current fiscal year (Current Budget), our present view of the actual amounts we project for the end of the current year (Annualized) and the amount in the budget for the upcoming year (Proposed Budget).
